What Sets Steve's Insights Apart from Other Prophecy Teachers

Simply, Steve's perspective on the last days is not his own.

In his three books on prophecy Steve outlines the events and ordering of last day's events as recorded in the timelines already revealed in the books of Daniel, Matthew 24, and the book of Revelation. Each of these timelines have a beginning and ending with the sequence of events moving from beginning to end *without needing to be reordered*.

His approach to the ordering of last day events is based on the concept that the ordering of the last days can be known because last day events can be measured because they are dated. Because they are dated they can be verified.

Steve's three books outline these timelines to develop a comprehensive prophetic timeline which may be downloaded free from his website at www.AgeofAntichrist.com.

In *age of the Antichrist: ARE WE THERE YET*, Steve outlines the timelines in the books of Daniel, Matthew 24, and Revelation. In *COMING SOON*, Steve expounds on the 28 verses Jesus taught about the last days. In his book, *REVELATION and the Age of the Antichrist*, Steve provides a comprehensive outline of the book of Revelation which outlines the age of the Antichrist and earth's last seven years.

The books of Daniel, Matthew 24, and Revelation all give the same ordering of events.
